SUMMARY

A highly motivated and detail-oriented Bachelor's student in computer engineering seeking opportunities to leverage academic knowledge and laboratory experience. Dynamic and driven Engineering student, eager to leverage theoretical knowledge and practical skills to contribute effectively to research and Innovation In the field of engineering. Seeking opportunities to apply classroom learning to real-world challenges and enhance professional growth in a dynamic academic or Industry environment

SKILLS

- Good communication and presentation skills
- Ability to work independently
- Ability to work collaboratively in disciplinary teams
- Knowledge of programming languages (C, C++, Java, Python)
- Web development
- Basic knowledge in Artificial Intelligence and machine learning
- Knowledge in prompt Engineering
- Team collaboration
- Statistical software (Java, Python)
- Strong knowledge of Amplitude
- Analyzing problem-solving methods

EXPERIENCE

INTERNSHIP STUDENT. 06/2022-08/2022

Rahitech Solution Baramati, India

- Project on travel management system using web development

EDUCATION AND TRAINING

School of Computer Science and Engineering, Sandip University, Nashik, Expected in 07/2026

Bachelor's in computer science and engineering

- CGPA:8.93
- Participated in the University's Mentorship program, including hackathons and other mini sessions
- Workshops and Seminars Attended: Attended various seminars on career development and higher education
- Current work on final year project: virtual trial room

Vidya Pratishthan's Polytechnic College, Indapur, Maharashtra, 07/2023

Diploma: Computer Engineering

- Board: Maharashtra state board of technical education
- Percentage:78.71%
- Participated in various college project competitions
- Final year project on: IoT-based color sorting machine

PERSONAL INFORMATION

- Date of Birth: 11/07/04

PROFESSIONAL DEVELOPMENT

- Attended workshops or training sessions related to computer science, research web development and Python, professional development
- Participated in seminars, conferences, and symposiums to stay updated with the latest advancements in the field

LANGUAGES

Marathi, Hindi, English
